## Citizens:

In order to set big furniture out for waste collection (couches, chairs, mattresses), it is now required to be wrapped in plastic. This can be purchased at the city building for \$4.00 per sheet. One sheet of plastic will fit a queen size mattress. If you have any questions please do not hesitate to contact the city building at 581-8884. Thank You!

## City Ordinance

91.01 Prohibition against dogs running at large.

Just a friendly reminder to keep all pets on your own premises, when dogs are not on your premises they need to be on a leash at all times. No dog licenses or unlicensed may run at large.

Also, please remember to pickup after your pet. The city has bought and installed several waste stations for this purpose.

## SNOW & ICE REMOVAL

### REMINDERS:

**PARK CARS IN DRIVEWAY DURING AND/OR AT SNOW AND ICE STORM ADVISORY.** This allows streets to be completely cleared and also helps keep the plow from piling snow around parked cars.

**CUL-DE-SAC**— Do not park in the cul-de-sac during inclement weather. The truck with the snowplow cannot make turns when cars are parked in the cul-de-sac. Please conform.

### PROCEDURE FOR SNOW REMOVAL:

The hilly areas are the first streets to be cleared. We then proceed to clear the level areas. Please note that Three Mile Road, Moock Road, Licking Pike, and Johns Hill Road are state roads and are not maintained by the City of Wilder. If you have a problem or questions regarding these roads, please call the Kentucky Department of Transportation at 341-2700.
