WHITE GOODS DISPOSAL

The Wilder Maintenance Department will be picking up white goods such as Refrigerators, Air Conditioners, etc., which contain freon and cannot be picked up with your regular waste collection service. If you choose to have the item picked up by Republic you must have the freon removed and the item must have a tag stating it has been removed properly.

Any other large item can be picked up with your regular waste collection. If you do have a large item for pick-up, please contact Republic at 513-771-4200 so that they can have two people on the truck for that pick-up.

If you have a white goods item that contains freon, you must contact the city building (581-8884) by April 9th @ 3:00 p.m., to advise of the item and to be placed on the pick-up list between 8:00 a.m. & 3:00 p.m. on April 11th.

This needs to be done so that the Maintenance Department can make proper arrangements.
